N A R R A T I V E	On 07-20-11 at approximately 1707 hours, Officer Coppola #16972 and I were riding as a two officer unit and responded to a subjects disturbing call at Pomeroy and Broadway Roads in Mesa, AZ. Comments to the call stated that a male subject was throwing beer bottles at traffic on the roadway. The reporting party (RP) advised that he was armed, he was with the male and the RP was requesting PD contact.										
	Upon our arrival, we noticed a male dressed in camouflage military style clothing standing next to a Hispanic male subject on Pomeroy just north of Broadway. The male dressed in camouflage, had a German shepherd dog on leash and was also carrying a weapon in his waistband. I contacted the RP, identified verbally as Jason "J.T." Ready, who advised he was with the United States Border Guard and was in the area to meet with a volunteer to go do some work. J.T. advised that he drove around the block a couple times and noticed a Hispanic male subject sitting on the curb drinking a beer. J.T. said when he drove by the subject again, the subject threw the beer bottle at his vehicle. J.T. confirmed that all the windows in his vehicle were up when the bottle was thrown, and the bottle did not hit his vehicle, therefore there was no damage to his vehicle. There were no witnesses to

Officer's Narrative (continued)

this incident.

I noticed clear broken glass on Pomeroy just north of Broadway. Officer Coppola attempted to contact the Hispanic male subject but he only spoke Spanish. A Spanish speaking officer was requested and Officer Nieto #14972 arrived on scene.

The male was identified verbally as S/Eduardo Lara-Trejo. Eduardo admitted that the bottle was his, and admitted to throwing it in the street. Eduardo adamantly denied that he threw the bottle in J.T.'s direction. Eduardo said he threw the bottle on the street because it was empty and he was done with it.

Based on the fact that there were conflicting statements, no independent witnesses and no damage to J.T.'s vehicle, Eduardo was cited and released for littering. Eduardo did not have a valid form of ID on him, therefore he was transported to the main station, where his identity was verified by jail staff through his fingerprints and previous bookings.
